A Night to Benefit Burkina

September 2nd

At 8pm at Grace Chapel at Toccoa Falls College in Toccoa, GA

Logan Martin, the worship leader from LIFE 2010, will be head-lining our benefit concert. And Toccoa Falls College's own band, The Resistance, will be opening for Logan. **Tickets will be \$10 at the door for the concert.** The best part is... your \$10 will go directly towards supporting missionary Pete Brokopp's work of digging wells for clean water and for purchasing grain for the hungry in Burkina Faso, West Africa! Please bring extra money because an offering for Burkina Faso will also be collected at the concert. For more info about Grain of Hope 58:10 and why they, exist as a non-profit, check out their website grainofhope5810.org or like their page on facebook. For more info and questions about the concert, contact Ben Landes at 336-596-1997.
